Economics
Chapter 2 Research Presentation
Mr. Rabinowitz
100 Points
Due Wednesday October 9th

Working in small groups or by themselves, students are to research a Federal government organization and apply the concepts from chapter two. Specifically you must do the following:

1. A brief history of the organization
2. A general organizational chart
3. What is the primary purpose of the organization?
4. In what ways do the concepts from sections two and three apply? At 5 concepts must be applied. You may discuss them in their absence if necessary. What is the economic purpose or impact of the organization?
5. Has the organization been impacted by the shutdown? If so in what ways?
6. What are the arguments in favor of the organization?
7. What are the criticisms of it?
8. Have a PowerPoint of no fewer than 10 slides
9. PowerPoint must have a MINIMUM of text and contain at least one video clip
10. Every slide must have a relevant image
11. Have a properly done bibliography
12. Students are to show mastery of the material
13. Presentation is to be well organized and presented

Organizations to choose from:

Federal Reserve
Securities and Exchange Commission
Food and Drug Administration
Department of Agriculture
Commerce Department
Centers for Disease Control
Labor Department
The Treasury
Defense Department
Environmental Protection Agency
Other government organization that you choose, approved by me

Process:

1. Discuss and choose an organization
2. Review sections two and three
3. Discuss and divide up tasks; plan
4. Begin the research and design
5. Complete the task
6. Review and practice
